New England's charming coastlines and quaint towns make it ideal for summer vacation charters. Whether you want to get away for a long weekend or a full month, let Whisper and its crew help you plan and carry out a fully customized adventure.

**DAY ONE:** The New England charter adventure begins in historic Newport, Rhode Island. Guests take in the sights and sounds of Bowen's and Bannister's Wharves before heading to Newport Shipyard to meet Whisper's Captain and Crew for a waterfront brunch at Belle's. The yacht's private chef serves a late afternoon lunch from the cockpit, while Whisper cruises south to Block Island for an overnight anchorage. Popular with summer tourists, the tiny island boasts a plethora of activities, including cycling, hiking, sailing and fishing. At the end of play, The Oar Restaurant is a must for mudslides and clam cakes.

**DAY TWO:** Take a trip into town for some shopping and exploring before cruising to Martha's Vineyard, Massachusetts for an overnight anchorage. This famous island retreat attracts visitors from far and wide during the summer months with its charming features and friendly locals. Before a tasty dinner onboard Whisper, visit Oak Bluffs to check out its Gingerbread cottages and Edgartown to enjoy the many shops that line its streets.

**DAY THREE:** See all that Martha's Vineyard has to offer with one of the island's famed bus tours before sailing over to Chappaquiddick Island, off the eastern end of Martha's Vineyard, for an afternoon of fishing and swimming. For dinner, anchor in the harbor off Edgartown and head in for an island brewed pint and some live music at the Wharf Pub and Restaurant.

**DAY FOUR:** Catch the sunrise from Whisper as it sets sail to Nantucket, Massachusetts for the next overnight anchorage. Hop off the boat at Straight Wharf and head to lunch at Toppers at the Wauwinet Inn, which offers unforgettable local cuisine and scenic views of Nantucket Bay. Walk down the cobbled streets to the Whaling Museum for a full history of the island. After a sunset dining experience onboard Whisper, head back to land and take a taxi to the center of the island for live music and entertainment at the Chicken Box.
